**Listing of Materials, Technical Specifications and Quantity**

Product	Product Classification (iron or steel, manufactured product or construction material)	Countries of origin (if known)	Made in America Cost	Foreign Cost	Difference in %	Product Service Code (PSC) and North American Industry Classification System (NAICS) code (see below)

Attached is supporting documentation evidencing the above.

<b>Justification</b>	
How the non-domestic item(s) is/are essential to the project	
Why the items cannot be procured domestically	
Due diligence performed for <b><u>EACH</u></b> item	
Anticipated impact if no waiver is granted	

Attached are requests for proposals, contracts, non-proprietary communications with potential suppliers and any other documentation evidencing a good faith effort was made to solicit bids for domestic products for each item for which a waiver is being sought.

The undersigned hereby certifies that they made a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with potential suppliers.
